This lovely country home has been completely and tastefully renovated and is now spacious, airy and comfortable.

In front of the house is an orange grove with some olive trees and to the rear is a natural lake. This could be a lovely place to relax by simply adding a wooden deck and would be useful to irrigate the land if produce were grown. There is also a shady pergola for al fresco dining.

Being so close to the town but in the peaceful countryside it would make a great permanent residence or a perfect getaway from city life with easy access to the A22.
