This traditional style house has had a quality renovation inside and out. There is beautiful attention to detail in the bathrooms, the floor tiles, the lighting, and fittings.

The land is gently undulating and scenic. There are a variety of fruit trees dotted around the garden and in the meadows/paddocks, many olives. Access is from a tarmac road to a short dirt track. The main road is also easily and quickly reached which makes travel to Lisbon or the Algarve simple.

Due to the location and layout of the house it would make good guesthouse, B&B accommodation or equestrian family home.
