

## Urban plot of land with building permission & project in a perfect location with some sea views, near Lagos

PLOT IN LAGOS

ref. **LE2169**  
**717.000€**

### Location +

Town	Lagos
Parish	Lagos (São Sebastião e Santa Maria)
Municipality	Lagos, Faro
Region	Algarve (West)

### Details +

Usage Type	Residential Plot
------------	------------------

### Areas +

Plot Area	3.162 m²
-----------	----------

### Access +

- Plot 3162m<sup>2</sup>
- Close to the popular city of Lagos with all amenities
- The price includes the plot and the approved project with a pool of 81 m<sup>2</sup>, but not the construction.
- Distance to the beach 1km

The property is located in a popular urbanization near Lagos, not far from a golf course and the beach. It is one of 2 properties still available, out of a total of 7, located next to each other.

There is already an approved project for a 3 bedroom villa with a 20 m-long pool. The size of the pool is unique in the Lagos area

The costs for the project approval are already included in the purchase price, the fees for the building license are not included in the purchase price. The building license must be applied for to begin construction.

You can also buy the land and create your project with an architect. We can recommend architects and builders to you.

If you realize the approved project, you will save the time from
