Building No. 2:

Equipped with 7 charming suites of which each has a wall covered in natural and ecological cork, providing excellent acoustic comfort and perfect thermal insulation. The suites have air conditioning, hairdryer, shower tray, indirect lights, sockets, Wi-Fi and direct access to the garden and pool.

Building No. 3:

It has an area of 200m² in "open space" that could be converted into a restaurant, more rooms, spa, indoor pool, gym, atelier or workshop - suitable for multiple purposes.

The Energy Certificate rating is "A", and the next renovation will upgrade it to "A+" as photovoltaic panels have been installed. The domestic hot water has two 300-litre tanks that are heated by electric resistors and also by solar panels.
